**You Are Invited!**

**Fox Hollow Intersection Informational Briefing  
Thursday, September 10, 2009  
7:30 P.M.  
Ernest Davis Meeting Room  
Moultonborough Town Hall – 6 Holland Street**

As you may know, the Town of Moultonborough has begun the design of roadway improvements for Fox Hollow and certain portions of Route 25. We hope to put the project out to bid later this year. Construction is expected to start in April of 2010.

This is an opportunity for you to meet with the Town Engineer and other officials who will discuss the schedule and scope of work. Survey and concept plans will be available to learn a bit more about how – if at all – your property will be affected. Construction impacts and construction duration will be discussed as well.

This will not be your only opportunity to learn about the project, ask questions or make suggestions. However, the earlier you are able to be part of the planning the better it is for all of us as decisions often get made at each step of the process. After this mailing we will be posting future notices and information on the town web site at [www.moultonboroughnh.gov](http://www.moultonboroughnh.gov) (Click on the Major Projects box in the upper right hand corner). There you can follow all of the Route 25 planning and construction activities. You may sign-up for periodic updates by clicking on the Subscribe to Updates box on the home page and subscribing to Major Projects: Route 25.

If you cannot attend and have questions you would like answered or comments you would like to submit, please send them to Mr. Carter Terenzini, Town Administrator, by mail to PO Box 139 Moultonborough, NH 03254, by fax to 1.603.476.5835, or email to [cterenzini@moultonboroughnh.gov](mailto:cterenzini@moultonboroughnh.gov).
